Pivotal IsatPhone plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. All calls are charged in 30 second increments unless otherwise stated. Prices include GST and are subject to change. Actual charges may vary on your statement as charges are rounded to the nearest cent before GST is included. Included call value excludes premium calls, calls to special numbers, IDD (international direct dial) calls and premium text. 24 month minimum term applies. Visit www.pivotal.com.au/coverage for a coverage map. An Inmarsat device is required to access the Pivotal Inmarsat service (see handset pricing). Pivotal may apply call barring where fraudulent use is suspected or for credit control purposes. You will receive a bill by email from Pivotal listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. Itemised billed and unbilled service usage is available in the secure Selfcare website at www.pivotal.com.au/selfcare. An itemised bill listing all of your service usage events is available on request. You may elect to receive a paper bill by post for an additional fee.
